Essays—In addition to the Common Application essay, choose any one of the essay topics below.

1. What is one thing we won't know about you after reading your application?
2. Describe an experience that sparked your interest in mathematics, science, or engineering.
3. In a world where technology continually adapts and progresses, Harvey Mudd College expects that our students will be aware of the impact of their work on society. How would you use new advances to improve your life and/or the lives of those around you? Describe your idea and its potential impact. Feel free to be as creative or as practical as you like.
