Authorization for Financial Aid Payment of Allowable Charges

I authorize Harvey Mudd College to apply the federal financial aid funds that I am eligible to receive while enrolled at Harvey Mudd College to pay for authorized allowable charges on my student account. Authorized allowable charges, examples of which are listed below, are charges other than tuition, fees, and contracted room and board. I am aware that the Office of Student Accounts must approve any of the following charges before they can be billed to my student account.

If the combined total of my federal financial aid exceeds the allowable institutional charges (i.e., tuition, fees, room, board, and other institutional charges) listed below, I authorize the Office of Student Accounts to retain these funds on my account as a credit balance. I also authorize the Office of Student Accounts to apply any federal aid credit balance to minor prior year charges, if applicable. I understand that I must request *in writing* (or by using the **Credit Balance Refund Request** from the Office of Student Accounts) to have any credit balance refunded to me from the Office of Student Accounts if I wish to receive my credit balance prior to the end of the academic year. Any federal credit balance will be automatically refunded at the end of each academic year.

I understand that I may cancel this authorization at any time but that cancellation is not retroactive. I understand that I may refuse to authorize this statement and that this statement is effective for my entire period of enrollment at Harvey Mudd College.
