Majors: In addition to the traditional majors Harvey Mudd College offers, students occasionally choose to pursue an Individual Program of Study (IPS) or an Off-Campus major on one of the other Claremont College campuses. For a more complete list and explanation of these options, please consult the Harvey Mudd College Catalogue.

Please rank your current interests by numbering the majors below (1, 2, 3, etc.):

___Biology ___Biology Chemistry ___Mathematical Biology ___Chemistry ___Computer Science ___CS/Math Joint Major
___Engineering ___Mathematics ___Physics ___IPS ___Off-campus major ___Undecided

Essays—In addition to the Common Application essay, choose any one of the essay topics below.

1. What is one thing we won't know about you after reading your application that you haven't already reported in the Common Application "Additional Information" section?
2. Describe an experience that sparked your interest in mathematics, science or engineering.
3. In a world where technology continually adapts and progresses, Harvey Mudd College expects that our students will be aware of the impact of their work on society. How would you use new advances to improve your life and/or the lives of those around you? Describe your idea and its potential impact. Feel free to be as creative or as practical as you like.
