1 Purpose

MuCC's goal is to encourage and support the creative output of the Harvey Mudd College community in the visual arts. MuCC believes that Mudders have a lot to offer the art world, and just need a little encouragement to do so.

2 Method

MuCC organizes shows of members' work two or three times a semester. When approved, it offers reimbursements to members for supplies, tools, and professional services needed to produce their art, in order to make the production of art more accessible. The club also occasionally organizes all-campus art-making events, and trips to local art venues. MuCC meets about once a month to discuss previous shows, and plan upcoming shows and other events.

The club maintains an e-mail list, mucc-l@hmc.edu, that is used to communicate to members about meetings, shows, etc.. Anyone can subscribe to mucc-l by sending an e-mail to listkeeper@hmc.edu with

in the body of the message.

3 Structure

3.1 Officers

Co-Presidents The two Co-Presidents shall set meeting times and locations, manage the e-mail list, manage club equipment and supplies, and be the authority on reimbursements. Co-Presidents will be selected from among the pool of involved members of the club in order to ensure the club remains alive and active from year to year.

3.2 Membership

No member or officer of MUCC shall be selected, dismissed, or discriminated against on the basis of age, race, religion, color, creed, sex, sexual orientation, national origin, or political affiliation. Furthermore, MUCC accepts and encourages participation from students of the other four colleges as well as HMC professors and staff, although it is unable to offer reimbursements to non-ASHMC members.

4 Equipment

MUCC has a stock of art supplies and tools available for use by its members. Interested members should contact the Co-Presidents for a current inventory of club equipment.

Care for equipment is the responsibility of the Co-Presidents. Most equipment will be in a large storage bin in the possession of one of the Co-Presidents.

5 Reimbursements

Reimbursements may be requested by MUCC members who are also members of ASHMC. If a reimbursement is not approved by the Co-Presidents *before* money is spent, there can be no guarantee that a reimbursement will be provided. Reimbursement for consumed supplies and services will be for 50% of the total value by default, although other arrangements may be negotiated. Reimbursement for tools or other non-consumed items will be for 100% and goods will become property of MUCC.
