

**Overload Petition Form
(Sophomores, juniors and seniors)**

For loads greater than 18, but less than 20 units

The Harvey Mudd catalog states: "In exceptional circumstances, a student with a record of successful academic performance may take more than 18 credit hours in a semester."

For overloads of **19.5 or fewer units**, approval requires that a student provide a brief written petition to the Associate Dean for Academic Affairs and all advisors. Approval is granted provided the previous semester GPA is at least 3.0 and all advisors agree.

Please complete the following form and obtain approval signatures from both of your academic advisors before meeting with the Associate Dean for Academic Affairs.
