

Wednesday, September 22, 2010, at 4:10pm in Galileo McAlister

The first engineering seminar program on Wednesday, September 22nd will be an Engineering Department Awards Ceremony featuring the recipients of the Davies Prize, Phillips Award, Alford-Gilkeson Award, and the Kopp Scholarship. The 2009-2010 clinic presentation award will also be given. The awards are given to students who have excelled in engineering design (E4), in experimental technique and engineering judgment (E80), in outstanding contribution to clinic as a junior team member, and in electrical engineering. The awards will include comments by several Engineering faculty members and a keynote address.
