**Your Blue View Vision Network**

Blue View Vision offers you one of the largest vision care networks in the industry, with a wide selection of experienced ophthalmologists, optometrists, and opticians. Blue View Vision’s network also includes convenient retail locations, many with evening and weekend hours, including 1-800-CONTACTS, LensCrafters®, Target® Optical, JCPenney Optical, Sears Optical and Pearle Vision® locations. Best of all—when you receive care from a Blue View Vision participating provider, you can maximize your benefits and money-saving discounts. Members may call Blue View Vision toll-free at (866) 723-0515 with questions about vision benefits or provider locations.

**Out-of-network services**

Did we mention we’re flexible? You can choose to receive care outside of the Blue View Vision network. You simply get an allowance toward services and you pay the rest. (In-network benefits and discounts will not apply.) Just pay in full at the time of service and then file a claim for reimbursement.
