

Point. Click. Relax.

Managing your medical spending accounts shouldn't be a full-time job. At SelectAccount, we understand that you'd rather spend your free time living life rather than filling out forms. That's why we think you'll appreciate the convenience of the SelectAccount Online Member Service Center.

When you register with the Online Member Service Center, you get access to information about your account and can even complete many important tasks without ever putting pen to paper.

Here are a few of the things you can do in the Online Member Service Center:

- Create and update your personal profile
- Check your balance and monitor account activity
- Access a comprehensive suite of *WalletDoc* consumer tools
- Store receipts in the *e-Vault*
- Sign up for features like direct deposit
- Reimbursements (submit a claim/withdrawal request)
- View past reimbursement requests
- Order a SelectAccount debit card for yourself or dependents
- Create customized statements and reports
- Authorize release of information

If you have a health savings account (HSA) with SelectAccount, you can also:

- Deposit money into your HSA
- Make online payments to health care providers
- Activate and manage your investment account
- Add or change beneficiary(ies)
- Report your HSA contributions and withdrawals
- View and print tax documents

Online. Anytime.
SelectAccount.com

Convenient access to your health care dollars anytime, anyplace.

How to register:

- Step 1:** Visit SelectAccount.com.
- Step 2:** Select Members and "Sign In/Register" at the top of the screen. This will take you to the Online Member Service Center sign-in page. From here, select "Register."
- Step 3:** Enter your name, birth date, email address, SelectAccount ID number, zip code and last four digits of your Social Security Number. You can find your SelectAccount ID number on your account verification form or by calling customer service.

Save time. Save a tree.

Nobody likes to wait when it comes to getting their money. When you sign up for these time-saving account features, you'll get your money fast. And in the process, reduce the amount of paperwork you need to complete. And less paper makes "Mother Nature" happy.

Direct Deposit

When you sign up for direct deposit, you give SelectAccount authorization to deposit your reimbursements directly into the checking or savings account of your choice. No more waiting for a paper check to arrive and no more running to the bank.

Online Reimbursement Requests

When you need to use your account to pay for a health care expense, you can use the Online Member Service Center to request a reimbursement. Simply complete the online reimbursement request and upload supporting documentation if required.

But wait, there's more.

In addition to managing your account and signing up for time-saving features, you'll also find a wealth of helpful information about your medical spending account at SelectAccount.com, including:

Calculators

Estimate how much you can contribute to your account and how much you'll save in taxes when you do contribute.

WalletDoc

A comprehensive suite of consumer tools which empower you to make informed decisions in regard to your care.

News and updates

Important information about your accounts (such as IRS updates).

Eligible expense lists

Current lists and explanations of eligible expenses for your accounts.

Resources

Education tools that help you understand your account and options.

The benefit of convenience.
