

CLAREMONT UNIVERSITY CONSORTIUM

ANNUAL CAMPUS SAFETY REPORT

(January 1–December 31, 2012)

PREPARED BY

Claremont University Consortium
Campus Safety
150 East Eighth Street
Claremont, CA 91711
(909) 607-2000
On-campus: x72000
www.cuc.claremont.edu/cs

This information is provided in compliance with:
The Crime Awareness and Campus Security Act of 1990
(amended in 1992, 1998 and 2000. The 1998 amendments
renamed the law the *Janina Clero Disclosure of Campus
Security Policy and Crime Statistics Act*.)

SUMMARY OF THE JEANNE CLERY DISCLOSURE OF CAMPUS SECURITY POLICY AND CAMPUS CRIME STATISTICS ACT

The Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act is a federal law that requires all public and private institutions of postsecondary education participating in federal student aid programs to disclose certain timely and annual information about campus crime and security policies.

Schools must annually publish a report by October 1st that contains three years of on/off campus crime statistics. These statistics must be gathered from campus police or security, local law enforcement, and other school officials who have significant responsibility for campus activities. Professional mental health and religious counselors are exempt from reporting requirements. The report must also contain certain policy statements, including Sexual Assault policies - which assure basic victims' rights and outline procedures to be followed in: Sex Offenses, Weapon, Alcohol and Drug Policies.

Crimes are reported in the following seven major categories:

- 1. Murder; Negligent and Non-negligent Manslaughter**
- 2. Sex Offenses, including Rapes, Forcible and Non-forcible Sex Offenses**
- 3. Robbery**
- 4. Aggravated Assault**
- 5. Burglary**
- 6. Motor Vehicle Theft**
- 7. Arson**

We must also disclose, by geographic location and by category of prejudice, any of the aforementioned offenses, and any other crimes involving bodily injury reported to local police agencies or to a campus security authority, that manifests evidence that the victim was intentionally selected because of the perpetrator's bias. These categories of bias are: race, gender, religion, sexual orientation, ethnicity, national origin and disability.

Schools are also required to report the following three types of incidents if they result in either an arrest or disciplinary referral:

- 1. Liquor Law Violations**
- 2. Drug Law Violations**
- 3. Illegal Weapons Possession**

Campus crime statistics must be reported by location: **On campus** (owned, contiguous, educational or student-used); **In dormitories or other student residences** (within the on-campus area); **Non-campus buildings or property** (frats, non-contiguous owned and student-used); and **Public property** (streets, sidewalks, lots adjacent to campus).

Schools are also required to provide timely warnings/notices of crimes that pose an on-going threat to students and employees. In addition, a daily log, which records all crimes reported to the campus police or security department must be maintained and open to public inspection during normal business hours. Limited information may be withheld to protect victim confidentiality.

The annual report is to be made available to all current students and employees while prospective students and employees are to be notified of its existence and afforded an opportunity to request a copy. Schools can comply using the Internet so long as the required recipients are notified and provided the exact Internet address where the report can be found and paper copies are available upon request.

THE CAMPUS SEX CRIMES PREVENTION ACT (SECTION 1601 OF PUBLIC LAW 106-386)

This federal law enacted on October 28, 2002 amends the Jeanne Clery Disclosure Campus Security Policy and Campus Crime Statistics Act to require institutions of higher education to issue a statement, in addition to other disclosures required under that Act, advising the campus community where law enforcement agency information provided by the State concerning registered sex offenders may be obtained. These changes take effect October 28, 2002 and this notice will be a requirement beginning with the annual security report due October 1, 2003.

How to obtain Sex Offender Information:

The Claremont Police Department provides a means to obtain information on California's registered sex offenders via Megan's Law CD-ROM. A CD-ROM, available for public viewing, provides the following information about serious sex offenders: registrant's name; aliases; photograph (if available); sex; physical description, including scars, marks, and tattoos; registered sex offenses and county of residence and ZIP code (based on last registration).

To view the CD-ROM, you must:

- Be 18 years of age or older;
- Provide a California driver's license or Identification card;
- Sign a statement that you are not a registered sex offender, that you understand the purpose of the release of information is for the public to protect themselves and their children from sex offenders; and that it is illegal to use the information to harass, discriminate or commit a crime against any registrant;
- State a distinct purpose for viewing the CD-ROM, if required by local law enforcement.

For Megan's Law CD-ROM viewing information, please call Claremont Police at (909) 399-5411. Claremont Police Department is located at 570 W. Bonita Ave, in the city of Claremont.

A California Law, Assembly Bill 488, signed by the Governor on September 24, 2004, provides the public with internet access to detailed information on registered sex offenders. This expanded access allows the public to use their personal computers to view information on sex offenders required to register with local law enforcement under California's Megan's Law. For internet access to registered sex offender information go to:
www.meganslaw.ca.gov

The complete text of the Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act is available at: <http://campussafety.org/publicpolicy/cleryact/text.html>

The Claremont Colleges are a unique consortium of seven independent institutions including: Pomona College, Claremont McKenna College, Pitzer College, Harvey Mudd College, Scripps College, Keck Graduate Institute and the Claremont Graduate University. Each has its own campus, administration, student body, faculty, trustees, curricular emphasis, and distinctive style and mission. They all, however, share the resources and services of a central coordinating body known as the Claremont University Consortium (CUC). Under the auspices of CUC, Campus Safety and 17 other organizations provide support and services to The Claremont Colleges.

Campus Safety:

Campus Safety provides a full range of services to The Claremont Colleges community twenty-four hours a day. Campus Safety is located at 150 E. Eighth Street and can be reached on campus by dialing extension 72000 from any campus phone, or by calling (909) 607-2000 from any phone not on the campus telephone system.

Who We Are / What We Do:

- First responders to emergencies of any kind

- Protect the persons and property of students, faculty, staff and visitors to the Claremont Colleges consortium
- Patrol on vehicle, electric cart and on foot on all campus streets, byways and interior areas
- Apprehend criminals
- Provide first aid until the arrival of paramedics
- Provide security and traffic control at parties, special events and performances
- Monitor fire alarms, theft alarms and closed circuit TV surveillance systems
- Enforce traffic and parking regulations
- Take reports of crimes and incidents and forward them to the Claremont Police Dept. for investigation
- Provide incident reports to student deans and maintain records of crimes, incidents and reported activities for analysis purposes
- Assist law enforcement and other emergency service providers as needed
- Offer security survey/audit services to campus administrators
- Provide security/crime prevention presentations to students and staff

Campus Safety is staffed by 12 full-time uniformed Campus Safety Officers, 6 Dispatchers, 6 Sergeants, an Administrative Assistant, an Emergency Preparedness Program Manager, and a Director.

Safety officers are unarmed and have no police powers. Their arrest powers are identical to those of a private person, as provided in the California Penal Code section 837. All officers successfully complete and receive certification for the following: guard registration, chemical mace, first aid and CPR. Employees undergo continuous education and training to upgrade their skills. Campus Safety is not a police department but is responsible for law enforcement, security, and emergency response at the Colleges. Campus Safety also provides support services tailored to meet the needs of the Colleges including, high visibility patrols to prevent and detect crime, investigation of suspicious activity and crime reports, as well as response to: medical emergencies, fire and intrusion alarms, traffic accidents, parking enforcement, and enforcement of college rules and regulations.

Campus Safety works closely and cooperatively with the City of Claremont Police Department. The police are notified immediately and respond to: crimes against persons, violent crimes, major felonies, crimes involving a known or identified suspect, all private persons arrests on campus, and are called when police presence and/or assistance is deemed appropriate. All crime reports initiated by Campus Safety are forwarded to the police for investigation and mandated reporting as required by Uniform Crime Reporting Standards.

Crime Prevention and Security Recommendations:

Our crime prevention strategies are based upon the dual concepts of eliminating or minimizing criminal activities whenever possible, and encouraging students and employees to be responsible for their own security and the security of others. The following is a list of ongoing crime prevention programs and projects:

- Security Alerts: prepared and distributed either selectively or throughout the campuses if circumstances are warranted.

- Safety Escort Services: available through Campus Safety.
- Exterior and Interior Emergency Telephones: linked directly to Campus Safety located throughout the campuses.
- Electronic Alarm Systems: a computerized alarm monitoring system connected directly to Campus Safety monitors a comprehensive network of intrusion and fire alarms campus wide.
- Facility Surveys: checks of exterior lighting, doors, windows, hardware, and grounds are conducted by Campus Safety and campus maintenance and facilities staff.

No crime prevention program can be effective without the cooperation, involvement, and personal support of students and employees. Awareness of one's environment and implementation of strategies to reduce or eliminate the opportunity for crime to occur is the best place to start. Within this framework, please use the following suggestions to help safeguard yourself and others:

- Exterior doors should never be propped open. A propped door puts everyone at risk.
- Dorm doors should be locked at all times even when leaving for a short time.
- Keys should be carried at all times and never loaned to others.
- Exercise good judgment when walking, jogging, or engaged in solitary activity, especially at night.
- Engrave, mark, and/or photograph your property and record serial numbers and property description.
- Consider not bringing expensive jewelry, valuable property, and important keepsakes to campus.
- Purses, backpacks, and other personal property should not be left unattended or unsecured in office buildings, libraries, and other common use areas.
- Parked cars should be locked at all times and valuables should be concealed.
- Become familiar with the location of emergency phones throughout the campuses and use them if you have an emergency or observe criminal or suspicious activity.
- **All crimes and suspicious persons should be reported to Campus Safety immediately.**

It is most helpful to Campus Safety if you can provide your name, telephone number and location as well as the following information on any crime suspect: physical appearance, clothing, height, weight, coloring, approximate age, sex, scars, or other noticeable features (glasses, facial hair, etc.), and whether or not he or she displayed or threatened a weapon. If a vehicle is involved, please note: last direction of travel, license plate number and state, make and model of the vehicle, color and body type, and other identifying marks (rust, dents, etc.).

HARVEY MUDD COLLEGE (HMC) is concerned about the safety and welfare of all students, employees, and guests, and is committed to providing a safe and secure environment. In addition to the security services provided by Campus Safety, HMC has precautionary measures in place that are intended to enhance the quality of life and to assure the safety and security of the resident student body.

Harvey Mudd College is a residential college; nearly all students live on campus in the residence halls. The Dean of Campus Life is the College official responsible for the residence halls. The Dean or a professional staff member is on-call at all times, 24 hours a day, seven days a week during the academic year. All residence halls

are served by live-in proctors, who are available and on-call throughout the school year as peer counselors and first-responders in case of emergency.

Reporting Suspicious Circumstances, Crime, or Emergencies:

All members of the HMC community are encouraged to contact one of the following if they observe a suspicious person or event, witness a crime, or experience a dangerous emergency on campus;

Campus Safety	909/607-2000
Dean of Students	909/621-8125
On-Call Proctor	909/717-7183
Assistant VP for Human Resources	909/621-8512

The caller's identity will be kept in confidence at his/her request.

Emergency Notification Policy:

The Claremont Colleges subscribe to the ConnectEd emergency notification system. All members of the HMC community are encouraged to enroll their preferred emergency notification device(s). If an event at The Claremont Colleges or the surrounding neighborhood impacts the immediate safety and well-being of the community, the Director of Campus Safety will send an emergency notification to all students, faculty, and staff as soon as information is confirmed and deemed reliable. Harvey Mudd College's campus constituents will be notified of other, less urgent security concerns via an email from the Dean of Students.

The following are precautionary measures for the safety of HMC students, staff and faculty:

- Residence hall windows and doors are checked annually and hardware is repaired or replaced as needed.
- The entire campus is secured with high security keyways not reproducible outside of the College's system. Lost keys result in a lock re-keying and new key issue. Dorm keys are collected at the end of each semester or academic year to identify unreported lost keys. A lost building master key results in the entire building being re-keyed.
- Administrative and academic buildings are locked and unlocked on a daily schedule by custodial staff.
- Keys are controlled by the Facilities & Maintenance Office. Sign-in and sign-out procedures are closely monitored and stored in a database system. Access to key lock boxes is restricted.
- All students, faculty, and staff are enrolled in at least one means of instant notification through the ConnectEd emergency notification system. Emergency messages can be sent from the Campus Safety Office and/or other college officials utilizing email, cell phones, landline phones, and text messaging.
- Emergency ("blue light") phones are available throughout the exterior spaces of campus. These phones connect directly to Campus Safety.
- Exterior public address speakers are installed in areas of heaviest pedestrian traffic.
- All residential exterior doors are equipped with automatic lock mechanisms. A swipe card lock system has been installed where feasible – in campus residences. The system administrator in the Facilities and Maintenance Office can customize access and update the system. The swipe card system prohibits residential access when students are not in residence.
- New student orientation includes information about campus crime and basic prevention tips. A whistle safety program is supported with whistles issued to new students and replacement whistles are available in the Dean of Students Office.
- Annual safety programming efforts include:
 - Self-defense classes held each semester for both men and women.
 - On-campus bike registration yearly. Bike U-locks are available at cost from the Dean of Students' Office.
 - Alcohol Awareness Week and Date Rape Awareness Week promoted. Student Activities assistants provide literature and programs.

- Campus Safety officers and trained student security officers provide crowd control and event management at events where alcohol is served. At 5-College events with alcohol, trained bartenders are used.

Security Measures In Campus Facilities:

- A preventative maintenance program including scheduled checks for battery back-up systems, generator operations and other devices needed to preserve security is in place.
- Laundry room doors, windows, and dorm room doors have peepholes.
- Residence hall doors and windows have security devices.
- Outdoor lighting is designed with security considerations as a top priority.
- Campus-wide Emergency Evacuation Drills are held each semester.
- The Campus Emergency Response Plan is continually upgraded. Student, staff, and faculty volunteers are continuously being trained for their emergency roles.
- Maps of below-grade utilities are kept updated.
- Emergency phones with blue light locators are installed on exterior building walls throughout the campus.
- Exterior-mounted key safes (Knox Boxes) are installed for Campus Safety use.
- Student mailroom and music practice rooms are locked and secured facilities.
- Key staff members are trained to use AED devices which are located in the Linde Activity Center, Galileo Auditorium Foyer, and the Platt Campus Center.

Alcohol Beverage Policy:

- A.** The State of California prohibits the use, possession, and purchase of alcohol by individuals under the age of 21; and the use of alcohol in public by all people, regardless of age. The alcoholic beverages rules of Harvey Mudd College are required by law to be consistent with California alcoholic beverage laws. The following standards of conduct will govern the use of alcohol on the HMC campus and at HMC sponsored events off campus.
- 1) Possession or use of alcohol in public is forbidden. Public locations include all grounds and dormitory exteriors, except those areas designated for approved parties.
 - 2) Events involving drinking games and/or promoting binge-drinking are specifically forbidden.
 - 3) Alcoholic beverages may not be served on HMC property or at any HMC event where persons under 21 years of age are present, unless written approval has been granted by the Dean of Campus Life of a plan that assures compliance with the law.
 - 4) HMC events are defined as any on-campus event. In addition, those off-campus events that may be identified as being an activity of the college will also be governed by state law and HMC standards of conduct.
- B.** Students are responsible for abiding by California alcohol laws and these HMC standards of conduct. Failure to abide by the law or standards of conduct will result in disciplinary sanctions.
- C.** As to the use of drugs, federal and state laws govern actions by all members of the Harvey Mudd College community. As required by law, HMC has established rules regarding the possession and use of drugs that are consistent with the federal and state laws governing drug use: it is unlawful to manufacture, possess, sell or use controlled substances. Failure to abide by the law will result in disciplinary sanction.

Firearms, Fireworks, and All Forms of Explosives:

Firearms, BB guns, pellet rifles, slingshots, and other projectile weapons as well as illegal knives, switchblades, and other blades that violate Claremont and/or California laws are not allowed anywhere on the HMC campus.

Toy, artificial or handmade play weapons must be decorated with bright colors so they can be identified from a distance as safe. Use of these items is limited to recreation in the residences and dorm courtyards. They are not permitted in academic or administrative areas of campus. If one of these items is perceived as dangerous or intimidating by a member of the community, the Dean of Students will ask the owner to remove it from public areas on campus.

Fireworks and all forms of explosives shall not be used or possessed anywhere on the campus, except for the approved use of potentially explosive materials in campus laboratories. These prohibited materials include combustibles in containers such as gasoline in cans and dry ice bombs. Students are reminded that the California laws, Sections 12303.2 and 12312 of the Penal Code establish stringent restrictions on these items.

Students should also be aware of the Claremont municipal code that pertains to these areas. The code can be found at http://www.ci.claremont.ca.us/municipal_code/title09.htm

Safety Tips:

General Safety:

- Be aware of your surroundings and any sign that something appears to be wrong or out of place.
- Stay in well-lighted areas and walk mid-point between curbs and buildings and away from alleys and bushes when possible.
- At night, work or study only in occupied buildings.
- Don't carry extra credit cards or large sums of money.
- Lock your valuables securely, even in your room.
- Report a missing ID/Key Card, or key, immediately.
- Walk with someone whenever possible.
- Do not risk personal injury if someone forcibly attempts to take your wallet, purse or property.
- Do carry a whistle or personal alarm and use it when you feel threatened. The sound won't hurt anybody.
- Keep an inventory of personal property and mark items with your driver's license number and the state.
- Acquaintance Rape can happen here. Learn the danger signs. Victims often suffer significant life disruption.
- Distance yourself from the misuse of alcohol /drugs; it can be far worse than a bad headache the next morning.
- Do not attach your ID to your key chain or mark your keys with your name and address.
- Get to know your neighbors and share information about suspicious activities.
- Call Safety at X7-2000 in an emergency or to report any crime or suspicious activity.

Office Safety:

- When working late, make sure doors are locked. Let someone know of your location and expected departure time.
- NEVER prop doors open, even for a short time. Your action could contribute to incredible harm to yourself or someone else.
- Do not loan your office keys or allow them to be copied.
- Do not hold a door open for a stranger.
- Keep your purse, wallet, or other valuables in a locked cabinet or drawer. Office thieves know where to look.

Car Safety:

- Auto theft is a problem nationally as well as on these campuses. Take action to safeguard your vehicle.
- Lock all doors after parking.
- Register your car with Campus Safety.
- Help secure your car against grand theft / burglary - with an electronic alarm and/or kill switch.
- Keep a copy of your registration, title, and vehicle I.D. number in a safe place separate from your vehicle.
- Store your valuables out of sight.
- If you park your car but don't use it regularly, check on it daily.
- Immediately report thefts, as well as suspicious activity in parking lots or near parked cars, to Campus Safety.

Bike Safety:

- State law, as well as county and city ordinances and codes mandate adherence to bicycle "Rules of the road" as well as specific equipment guidelines. Learn the laws for your own safety.
- Ride defensively, with the traffic, and use hand signals.
- Please be considerate of pedestrians and drivers in vehicles.
- You can be given a "ticket" for sidewalk driving, speeding, etc. in Claremont.
- Keep your bike maintained - especially the brakes.
- Register your bike on-line at National Bike Registry www.bikeregistry.com/
- Use a U-LOCK to secure your bicycle frame and wheels to a rack. Bikes locked with cables and small chains are frequently stolen.
- Report suspicious activity or loitering around bike racks. Thieves usually carry a hidden bolt cutter or other cutting tool.
- Do not impede free use of the handicapped ramps or other access points with bikes locked to handrails, etc.
