# Accident Insurance

Have you ever dislocated a joint or gotten a deep cut?

How about something more severe, like a concussion or broken bone? Most of us have experienced an accident that needed medical attention at least once in our lives. Accident Insurance can help relieve some of the financial stress that goes along with an accidental injury.

## Meet John

John works full-time, while raising two energetic children and playing in a summer softball league. While sliding into home base, he broke his ankle and tore his ACL. Fortunately, this accident didn't break John's bank account - and the family vacation was saved.

### Out-of-pocket medical expenses incurred:

\$500	Emergency room copay
\$250	Deductible
\$750	Copay for surgery
\$150	Copay for 6 physical therapy visits

---

**\$1,650** Total-out-of-pocket expenses

**\$1,115** Total benefit paid under John's accident coverage

The amounts shown above are for illustrative purposes only. Actual costs/results may vary.

## What is Accident Insurance?

Accident Insurance pays you benefits for specific injuries and events resulting from a covered accident that occurs on or after your coverage effective date. The benefit amounts depend on the type of injury and treatment received. Accident Insurance is a limited benefit policy. It is not health insurance and does not satisfy the requirements of minimum essential coverage under the Affordable Care Act.

## What types of benefits are available?

You may qualify to receive benefit payments for items listed below, as long as they are a result of a covered accident. Benefit types and amounts are determined by the plan selected by your employer, the circumstances of your accident and the treatment you receive.

- Surgery
- Blood, plasma, platelets
- Hospital admission and confinement
- Transportation and/or lodging
- Medical equipment
- Burns
- Emergency dental work
- Eye injury
- Lacerations/sutures
- Concussion
- Dislocations and fractures

You may be required to seek care for your injury within a set amount of time. Note that there may be some variations by state. For a complete description of your available benefits, exclusions and limitations, see your certificate of insurance and any riders.

## How can Accident Insurance help?

You can use the benefit payments however you would like. Below are a few examples of how you could use your benefits:

- Medical deductibles and copays
- Child care
- House cleaning
- Everyday expenses like utilities and groceries

## Are there any exclusions or limitations\*?

Benefits are not payable for any loss caused in whole or directly by any of the following:

- Participation or attempt to participate in a felony or illegal activity.
- An accident while the covered person is operating a motorized vehicle while intoxicated, as defined by the jurisdiction where the accident occurred.
- Suicide, attempted suicide or any intentionally self-inflicted injury, while sane or insane.
- War or any act of war, whether declared or undeclared, other than acts of terrorism.
- Loss sustained while on active duty as a member of the armed forces of any nation. We will refund, upon written notice of such service, any premium which has been accepted for any period not covered as a result of this exclusion.
- Alcoholism, drug abuse, or misuse of alcohol or taking of drugs, other than under the direction of a doctor.
- Riding in or driving any motor-driven vehicle in a race, stunt show or speed test.
- Operating, or training to operate, or service as a crew member of, or jumping, parachuting or falling from, any aircraft or hot air balloon, including those which are not motor-driven. Flying as a fare-paying passenger is not excluded.
- Engaging in hang-gliding, bungee jumping, parachuting, sailgliding, parasailing, parakiting, kitesurfing or any similar activities.
- Practicing for, or participating in, any semiprofessional or professional competitive athletic contests for which any type of compensation or remuneration is received.
- Any sickness or declining process caused by a sickness.
- Work for pay, profit or gain (if your employer's plan provides 24-hour coverage, this exclusion does not apply).

\* Exclusions and limitations may vary by state and employer. Consult your certificate of insurance and riders for the provisions that apply to your plan.
