

## Extra Back-Up Care for Your Family

Rely on Bright Horizons Back-Up Care™ if school's out or your caregiver is unavailable. We'll arrange high-quality care for you so you'll have peace of mind, and your loved ones will get the care they need.

You now have **120 hours of Bright Horizons Back-Up Care™** through May 1, 2020 to better support your caregiving needs.

Register today and complete your care profile now so you're prepared to reserve care when you need it. As a reminder, these extra visits are in addition to your standard number of back-up care visits.

For our latest family resources visit <https://www.brighthouse.com/staying-healthy-covid19>, and for guidelines on back-up care related to COVID-19, visit <http://www.brighthouse.com/covid19>.
