Why should I consider it?

Use your paid benefit for any purpose, such as paying out-of-pocket medical expenses, copays, deductibles, groceries, gas, utilities and more – it's up to you.

Coverage is always guaranteed issue.

Your coverage goes with you if you leave your employer or retire, and you'll be billed at the same rates via direct billing by the insurance company.

Who can be covered?

You have the option to enroll in coverage in the amount(s) below.

You	Choice of \$15,000 or \$30,000
Your spouse*	50% of employee benefit
Your children*	Choice of \$5,000 or \$10,000 not to exceed 50% of employee benefit

How much does it cost?

The table below shows how much you'll pay for Critical Illness Insurance. The premium is deducted directly from your paycheck. Your rates will depend on your age and how much coverage you select. If your rates are "attained age" that means that the rates will go up based on your age each policy year.

How many times can I receive this benefit?

You may receive a benefit payment for each different diagnosis of a covered condition shown on your Schedule of Benefits. (A definition of "different diagnosis" is provided in the certificate of coverage).

There is no total maximum benefit amount or limit to the number of payments you may receive for each covered condition under your plan, except for skin cancer.

For skin cancer, the benefit is payable up to 2 times per calendar year with a total benefit amount of 10 times the benefit amount you're enrolled in. Once the maximum for skin cancer has been reached, no further benefits are payable.
