Student Affairs for the 21st Century Student
Students of Today & Tomorrow

- Collaborative
- Optimistic/Trophies
- Selfies
- Strong Relationship with Parents
- Achievement rather than Development
- View authority as equals
- Relational

 Gen Z (post 1995)
- More career focused/driven at earlier stages of college
- Pragmatic/Investments
- Individuality
- Technology
- Global
- Social Justice Minded / Change the World
- Parents believe in challenge/competence
Mission -

The Division of Student Affairs serves as co-educators in support of the mission of Harvey Mudd College while cultivating student experiential learning. Through collaboration and partnerships, we foster an inclusive community while creating innovative programs that provide leadership and developmental opportunities. We prepare students for their futures beyond HMC as scholars and citizens who impact their communities in significant ways.
Vision

• Student Affairs at HMC will be a leading voice in providing transformative student learning experiences.

Foci

• Wellness and Development of the Whole Self
• Inclusive Communities
