Harvey Mudd College
Application for Admission to the Off-Campus Major Program

Name: ________________________________________ ID#: ______________________ Class of: __________

Off-Campus Major _______________________________ at (College) __________________________________

HMC Minor _____________________________________ (required)

Student Signature __________________________________________  Date _____________________________

(To Off Campus Department Chair: You should sign this application only if your department is willing to allow this student to have the same priority for admission to your departmental courses as your own college’s majors, and if your department is willing to provide a major advisor for the student. Ordinarily, we assume that a student’s choice to pursue an off-campus major is being made with the encouragement of some relevant faculty member who might serve as an advisor.)

Name and Signature of Off-Campus Dean of Faculty _________________________________________________

Name and Signature of Off-Campus Department Chair ______________________________________________

Name and Signature of Off-Campus Major Advisor __________________________________________________

Name and Signature of HMC Minor Advisor ________________________________________________________

Name and Signature of HMC HSA Advisor _________________________________________________________

Name and Signature of HMC Assoc. Dean for Acad. Affairs___________________________________________

Courses proposed to meet major requirements (indicate course number and title):*

1. __________________________________________________________________________________________

2. __________________________________________________________________________________________

3. __________________________________________________________________________________________

4. __________________________________________________________________________________________

5. __________________________________________________________________________________________

6. __________________________________________________________________________________________

7. __________________________________________________________________________________________

8. __________________________________________________________________________________________

9. __________________________________________________________________________________________

10. **Senior Thesis or equivalent:** __________________________________________________________________

[11.] ________________________________________________________________________________________

[12.] ________________________________________________________________________________________

* These courses are proposed; circumstances may require some substitutions with the approval of the appropriate advisor(s). The off-campus major requires a minimum of 10 courses; if the major department requires fewer, consult the OCMC Chair regarding supplemental courses.
Courses proposed to meet HMC minor requirements (indicate course number and title)*

1. __________________________________________________________________________________

2. __________________________________________________________________________________

3. __________________________________________________________________________________

4. __________________________________________________________________________________

[5.] _________________________________________________________________________________

[6.] _________________________________________________________________________________

Depending on the department involved, minors may consist of four or five courses. Consult the HMC catalogue for details.

Courses proposed to meet HMC humanities and social sciences and arts requirements (indicate course number and title):*

1. __________________________________________________________________________________

2. __________________________________________________________________________________

3. __________________________________________________________________________________

4. __________________________________________________________________________________

5. __________________________________________________________________________________

6. __________________________________________________________________________________

7. __________________________________________________________________________________

8. __________________________________________________________________________________

9. __________________________________________________________________________________

10. _________________________________________________________________________________

11. _________________________________________________________________________________

*No more than four courses may be “double counted” to satisfy both the major and either the minor or the humanities, social sciences and the arts requirements.

Unit requirements for graduation: Beyond the major, minor, humanities and social sciences, and arts and common core requirements, students must complete satisfactorily a minimum of 128 credit hours of courses, with a major and minor GPA of at least 2.0, to graduate.
