Coverage for eligible dependents is also available - please visit https://www.gallagherstudent.com/cuc.HarveyMudd for more information.

All continuing and newly matriculated students are required to have health insurance coverage. You will be automatically enrolled in SHIP, unless proof of comparable coverage is provided, and a waiver is submitted by the Waiver Deadline Date. If you have other health insurance, such as coverage as a dependent under your parent's or spouse's insurance plan and you do not wish to enroll in SHIP, you may submit a waiver application (domestic students only). You must remain enrolled in school for at least the first 31 days from their effective date of coverage, except in the case of medical withdrawal (as verified and approved by the school) to maintain eligibility.

Home study, correspondence, Internet classes, and television (TV) courses, do not fulfill the enrollment requirement. If it is discovered that this eligibility requirement has not been met, our only obligation is to refund premium, less any claims paid.
