I hereby acknowledge that I have read the US Department of State advice provided here (https://travel.state.gov/content/travel/en/traveladvisories/traveladvisories.html) for my destination, completed the Harvey Mudd College Office of Study Abroad Questionnaire on the reverse, and have made the decision to travel to this destination for study abroad as a registered HMC student with full knowledge of this advice. I acknowledge I have the opportunity to withdraw from participation, and voluntarily have elected to study abroad in this location.

I understand that I am solely responsible for my safety at all times relevant to study abroad, including travel to and from the program location and any independent travel. I agree to exercise my best judgment and to follow the advice of the on-site director of the program, but I recognize that in spite of such advice, neither HMC nor the study abroad organization can guarantee my safety or security.

Further, I recognize that should I decide to withdraw before the end of the semester due to security concerns, the awarding of credit and/or refund of fees for tuition, room or board is at the discretion of the program.
